

## Parliament Oak Bottle Drive

The School Council is once again running its Bottle Drive fundraising campaign. We ask that instead of driving out of town to return your wine, liquor and beer bottles, you simply drop them off at our convenient location at the school. To ensure that the process be as simple as possible, please ensure that they are sorted and in appropriate boxes for storage and transport. Bottles may be dropped off by the benches near the gym anytime and they will be stored under the stage until they can be "trucked" to town for \$\$.

Thank you to Perry Johnson from the Stone Road Grille for donating bottles from his business on various dates throughout the school year.
